

# The Center for Integrated Nanotechnologies: A Business R&D Resource

You are invited to spend an evening with our staff scientists to discuss how CINT can help your small business.

**Monday, August 9th  
6 - 8pm  
Cancun Room  
Marriott Pyramid North  
Albuquerque, NM**

Please RSVP to [cint@lanl.gov](mailto:cint@lanl.gov) or call Antonya at 505-606-0150

Join us on a tour of the  
**CINT Core Facility, Albuquerque, NM**  
**Wednesday, August 11th, 2 - 4pm**  
(RSVP for tour participation, US Citizenship required)

*"Although we are a small company, the expertise and facilities at CINT have allowed us to perform more like a big company."*

- Ed Flynn, President of Senior Scientific, LLC

Expertise and facilities available at CINT include:

- Cleanroom Fabrication facilities
- Nanosynthesis and Characterization
- Theory, Simulation & Visualization
- Nanomechanics
- Biomaterials
- Thin film deposition
- Scanning probes and imaging

You are also invited to attend the CINT Users Conference, August 10-11, with symposia on:

- Carbon Based Nanomaterials: Control of Interfacial and Surface Behavior,
- Nanomaterials for Energy Storage and Energy Conversion,
- Soft and Composite Nanomaterials: From a Single Particle to Nano Assemblies.
